A Game of Thrones #2 Mike S Miller Variant Edition Cover By George R. R. Martin, Daniel Abraham

George R. R. Martin's monumental fantasy epic continues in this dazzlingly wrought graphic novel adaptation. In the second volume of A Game of Thrones, the irresistible plot thickens and the spellbinding magic of a master storyteller deepens. For Eddard Stark, Lord of Winterfell and Warden of the North, a new role now beckons: Hand of the King—a position of power second only to his majesty himself. But is a life at court, in luxurious King's Landing, any life for a hardened man of action like Stark? Is the king's invitation an honor he can refuse—or a mandate he cannot ignore, when faced with shocking revelations of treachery on high?
