### Editorial Review

#### Review

A masterpiece Telegraph 'Ballet Shoes is one of my all-time favourite children's books - and you don't have to be a ballet fan to enjoy it.' - Dame Jacqueline Wilson

#### From the Inside Flap

In the tradition of Frances Hodgson Burnett's "The Little Princess" come Noel Streatfeild's tales of triumph. In this story, three orphan girls vow to make a name for themselves and find their own special talents. With hard work, fame just may be in the stars! Originally published in 1937.

#### About the Author

Often drawing on the raw material of her experiences as stage actress, **Noel Streatfeild** wrote more than 80 books for children and adults, including the famous "Shoes" series. A rebellious child who was expelled from her first school, she developed a lifelong love of theater and the performing arts. Her first novel, *The Whitcharts*--about the theater--was published in 1931. Though several other novels for adults followed, an editor encouraged a reluctant Streatfeild to write a theater-themed story for children; the result was highly successful *Ballet Shoes*, about three young girls training for the stage. Look for *Theater Shoes* and *Dancing Shoes* on audio from Listening Library.

### Users Review

#### From reader reviews:

##### **Houston Boynton:**

What do you about book? It is not important to you? Or just adding material if you want something to explain what yours problem? How about your time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? All people has many questions above. The doctor has to answer that question due to the fact just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this specific Ballet Shoes to read.

##### **Frances Wiggins:**

As people who live in the particular modest era should be upgrade about what going on or info even knowledge to make these keep up with the era which can be always change and progress. Some of you maybe will certainly update themselves by examining books. It is a good choice for you personally but the problems coming to anyone is you don't know what one you should start with. This Ballet Shoes is our recommendation to help you keep up with the world. Why, because book serves what you want and wish in this era.

**Patricia Phipps:**

A lot of people always spent their very own free time to vacation or go to the outside with them loved ones or their friend. Did you know? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. In order to try to find a new activity here is look different you can read the book. It is really fun for you. If you enjoy the book which you read you can spent the whole day to reading a publication. The book *Ballet Shoes* it is very good to read. There are a lot of people that recommended this book. These were enjoying reading this book. If you did not have enough space to develop this book you can buy often the e-book. You can m0ore simply to read this book from your smart phone. The price is not too costly but this book offers high quality.

**Jerold Niemi:**

Playing with family within a park, coming to see the marine world or hanging out with friends is thing that usually you could have done when you have spare time, after that why you don't try factor that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love *Ballet Shoes*, you could enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh come on its mind hangout guys. What? Still don't understand it, oh come on its referred to as reading friends.
