## Research Strategies: Finding Your Way Through the Information Fog By William Badke

Are you ready for your next research project? Really ready? In today's increasingly technological world, it's becoming harder to find the information you want. Do you have the skills and strategies you'll need to get the job done? With his concise, understandable, witty manner, librarian William Badke shows you that research doesn't have to be painful. You'll learn the skills that are essential to the success of any research project so that you can take control of the research process and make it work for you. Research Strategies is as friendly as a puppy, as informative as your friend's diary, and as helpful as a personal valet. Don't go to a library without it!
