Editorial Review

Review

From back cover: "Moderating a usability session is a skill that develops and matures the longer you do it. Every experienced moderator has a collection of stories about sessions that were... let's just say "more challenging." Donna Tedesco and Fiona Tranquada delve into our collective memories and provide a toolkit of ways to keep a session on track, even when things seem to go wrong. Whether you are a brand new practitioner, or have years of experience, you'll find ways to deepen and improve your craft with this practical, useful survival guide." - Whitney Quesenbery

"...guide to the moderating role played by researchers in product user research...Eighteen "survival stories" are included throughout the book, narrated by user researchers who have handled unexpected or awkward situations with study participants. Appendices consolidate recommendations of specific phrasing..."--ProtoView.com, April 2014 *"This is a sample chapter from Donna Tedesco and Fiona Tranquada's new book, The Moderator's Survival Guide: Handling Common, Tricky, and Sticky Situations in User Research. 2014 Morgan Kaufmann."--UXmatters.com, April 7, 2014*
