I thought I had nothing left to give.

I thought wrong.

They started the war.

Now I will end it.

Alice "Ali" Bell thinks the worst is behind her. She's ready to take the next step with boyfriend Cole Holland, the leader of the zombie slayers...until Anima Industries, the agency controlling the zombies, launches a sneak attack, killing four of her friends. It's then she realizes that humans can be more dangerous than monsters...and the worst has only begun.

As secrets that may tear Ali and Cole apart come to light, and more slayers are taken or killed, Ali will fight harder than ever to bring down Anima—even sacrificing her own life for those she loves.

### Editorial Review

From School Library Journal

Gr 9 Up—The author's unique twist, zombies meet Lewis Carroll, comes to a dramatic, if unevenly paced conclusion. Zombie slayer Alice Bell leads a group of killers of the undead against the corporation that is controlling the creatures. This action-packed, makeout-heavy volume is high on wry humor and overwrought romance. However, fans of the series will happily cheer on the strong female protagonist and enjoy the tidy ending.
