Think Like a Cat: How to Raise a Well-Adjusted Cat--Not a Sour Puss By Pam Johnson-Bennett

Think it's impossible to train a cat? Think again! Yes, you can learn to understand your cat. No, cats are not always aloof. No, they don't ruin furniture out of spite. Most often feline "misbehavior" is the result of owners not understanding their cat's needs. In this comprehensive book that takes readers through every step of cat ownership, **Pam Johnson-Bennett** helps you understand the instincts that determine feline behavior, positive and negative. An authoritative resource for cat owners of all stripes, **Think Like a Cat** covers everything from where to get a kitten to choosing a vet; from basic health care to treating more serious medical problems; from selecting an irresistible scratching post to avoiding litter box problems. A seasoned therapist and former veterinary technician, Johnson-Bennett offers welcome advice in a straightforward manner that will help cats--and their owners--share a happy, healthy life together.

Editorial Review

From Library Journal

Feline behaviorist Johnson-Bennett (*Twisted Whiskers: Solving Your Cat's Behavioral Problems*) suggests that if cat owners learn how to think like a cat, they can better understand their pets and build a more positive relationship. One way is to view the world not from the vantage point of a 5'7" human but from the cat's level, ten inches off the ground. If you needed to scratch your claws and saw only drapes and furniture and no scratching post, what would you use? The author gives helpful tips for stopping destructive chewing, aggression, furniture scratching, and litter-box difficulties. Her advice on grooming, pests, traveling, and first aid are clear and straightforward. She also recommends types and brands of toys, equipment, food, and other feline products. A similar guide is Brian Kilcommon's *Good Owners, Great Cats* (LJ 10/1/95), which has a more attractive layout and is easier to use. Still, this volume is more comprehensive than Johnson-Bennett's earlier works, with excellent insight into feline behavior, humor, and common sense. Recommended for most pet collections.
