A Dash of Magic (Bliss Bakery Trilogy) By Kathryn Littlewood

This second book in the acclaimed Bliss trilogy mixes the down-home heart-punch of Ingrid Law's Newbery Honor Book *Savvy*, the always-on-the-edge-of-chaos comedy of *Cheaper by the Dozen*, and a humorous magic all its own to create a thoroughly original confection to please every reader's sweet tooth!

The Bliss family's magical Cookery Booke was stolen by evil Aunt Lily at the end of *Bliss*, the first novel in the series. Now twelve-year-old Rosemary has a chance to win it back: she challenges her aunt to an *Iron Chef*-style international baking competition in Paris. But the only way to beat the cheating Aunt Lily is to gather magical ingredients of her own. Together with her brothers and their talking cat and mouse, Rose races across Paris—from the Eiffel Tower to the Cathedral of Notre Dame to the *Mona Lisa* in the Louvre Museum—to gather what she needs to out-bake—and out-magic—her conniving aunt.

If Rose wins, the cherished Cookery Booke will return to her family where it belongs. If she loses—well, the consequences are too ugly to think about. . . .

Editorial Review

From School Library Journal

Gr 3-6-In this sequel to *Bliss* (HarperCollins, 2012), Littlewood continues her frothy tale of the magical baking family as they enter a high-stakes culinary competition in Paris to win back their magic recipe book from their evil relative, Lily Le Fay. It is 12-year-old Rose and her siblings who take on the task of finding the ingredients they need, such as the wish of a ghost and the blush of a queen, as they try to outwit and outbake Lily, who has bewitched everyone with her enchanted "Magic Ingredient." Brimming with lighthearted fun, where even the gargoyles turn out to be friendly, this action-packed fantasy, celebrating the courage and ingenuity of children and the wholesomeness of simple baking, will be enjoyed most by those who have read the first book. Travel buffs will like the way the action takes place in and around Parisian tourist attractions. Characterization is light and easy, with some insight into Rose's feelings. Newcomers to the series will need some patience while they get up to speed. The ending suggests a sequel.-Sue Giffard, Ethical Culture Fieldston School, New York City©(c) Copyright 2013. From the Back Cover

The Heat Is On

Rosemary Bliss has challenged her Aunt Lily to an international baking competition in Paris: If Rose wins, Lily agrees to return the magical Cookery Book that she stole. If Rose loses . . . well, the consequences are too ugly to think about.

Together with her long-lost grandpa, his sarcastic talking cat, and a turncoat French mouse, Rose and her brothers race around Paris to find essential—and elusive—magical ingredients that will help her out-bake—and out-magic—her conniving aunt. She has to win or the Bliss Cookery Book will be lost to her family forever.

This second helping in Kathryn Littlewood's Bliss series combines hilarious magic and daring adventure to make one delectable reading treat.
