**Cosmic Coupling: The Sextrology of Relationships** By Stella Starsky, Quinn Cox

Cosmic Coupling is a fun, fast-paced exploration of every possible relationship between star signs, both straight and gay, from the authors' unique sextrological perspective. With rich knowledge, expert wordsmithing, and signature wry humor, celebrity cosmic consultants Stella Starsky + Quinn Cox delve into the specific rules of attraction inherent in each bond and the perks and pitfalls particular to each partnership. Whether addressing enduring alliances or fleeting dalliances, Starsky + Cox don't shy away from the juicier bits in profiling the romantic and sexual nature of each star-sign combination on the astrological block. Smart, sexy, and sophisticated, with a wink, Cosmic Coupling profiles couples in a threefold manner:

- Chemistry—describes the sparks, clashes, and underlying motivations of the couple's mutual attraction
- Compatibility—depicts the relationship needs of each sign and explains how the pair best meshes
- Carnality—details the sexual dynamics of the bond, right on down to the nitty-gritty

With a profound understanding of astrology and human psychology, original insights drawn from ancient, literary, and pop archetypes, and a frankly intelligent, frequently funny delivery, Cosmic Coupling illuminates the dynamics of one's (and others') existing relationships and guides any singles seeking Mr. and/or Ms. Right, while giving the phrase "starry-eyed lovers" a whole, spicy new meaning.
