**Interpersonal Communication and Human Relationships (6th Edition)** By Mark L. Knapp, Anita L. Vangelisti

*Interpersonal Communication and Human Relationships* provides comprehensive coverage of the field in the context of developing relationships. Grounded in both contemporary and classic scholarship, the experienced author team engages the reader through an abundance of relatable stories, accessible writing, and the thoughtful application of interpersonal communication research to everyday life.

Focusing on communication's role in the growth and decay of human relationships, this text introduces interpersonal communication principles and theories through the use of common experiences. *Interpersonal Communication and Human Relationships* aims to motivate readers to critically think about their own relational communication and those of others, and to peak interest and affinity for future social science research. A market leader for over twenty years, this Sixth Edition retains its classic features including the citations of the most current research from communication and social psychology; thorough coverage of dialogue, speech, and interaction patterns; true stories, executive summary boxes, cartoons, and diagnostic tests.
