Editorial Review

From Publishers Weekly

In 10 tales of personal transformation related by the psychotherapist author, each patient makes some headway in overcoming compulsions, depression, hypertension or whatever--yet each also comes face to face with larger problems such as the inevitability of death or the existential need to give one's life meaning. "Yalom's humanism shines through in these wise, moving stories," commended PW.

Users Review

From reader reviews:

Doris Seavey:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each publication has different aim or perhaps goal; it means that book has different type. Some people really feel enjoy to spend their time to read a book. They can be reading whatever they get because their hobby will be reading a book. What about the person who don't like studying a book? Sometime, man feel need book after they found difficult problem or even exercise. Well, probably you should have this Love's Executioner, and Other Tales of Psychotherapy.

Lisa Knight:

As people who live in typically the modest era should be update about what going on or details even knowledge to make these people keep up with the era which is always change and make progress. Some of you maybe will probably update themselves by reading through books. It is a good choice in your case but the problems coming to anyone is you don't know which one you should start with. This Love's Executioner, and Other Tales of Psychotherapy is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

Dennis Stclair:

Now a day those who Living in the era where everything reachable by talk with the internet and the resources included can be true or not involve people to be aware of each information they get. How a lot more to be smart in getting any information nowadays? Of course the reply is reading a book. Examining a book can help men and women out of this uncertainty Information mainly this Love's Executioner, and Other

Tales of Psychotherapy book since this book offers you rich facts and knowledge. Of course the knowledge in this book hundred percent guarantees there is no doubt in it you know.

Anna Cooper:

Many people spending their time frame by playing outside with friends, fun activity having family or just watching TV all day long. You can have new activity to enjoy your whole day by reading through a book. Ugh, do you think reading a book can really hard because you have to take the book everywhere? It ok you can have the e-book, getting everywhere you want in your Cell phone. Like Love's Executioner, and Other Tales of Psychotherapy which is keeping the e-book version. So , why not try out this book? Let's notice.
