Editorial Review

Review

'I find it difficult to believe that one individual could produce such an outstanding textbook, and Dr.Rosai is to be congratulated.... This text has been and continues to be the standard.' – Human Pathology

'Dr Ackerman... your star student Juan Rosai has surpassed you! In that process, he has also surpassed himself. By that I mean that he has produced a book that outshines all previous editions. He has also set the bar of excellence to anew and so far unattained height, proving beyond any reasonable doubt that he is not only the leading surgical pathologist of my generation but also a first class medical writer par excellence.' - Modern Pathology

"I pronounce it without reservation as the best of all the major textbooks in this field. It is still the best surgical pathology textbook for novices entering the specialty. All my residents have bought a personal copy and I hope that many others will follow their example. It is an ideal book to learn the basics, to grow on and retain for later practice. I still enjoy reading it and using it as the first consult for any case requiring some additional reading. Thus, I also recommend it to practicing pathologists as the best desktop reference. It is also the single best refresher for recertification or for just keeping abreast with the latest developments in surgical pathology. I hope that it will be on the shelves of all general medical libraries as the definitive textbook of surgical pathology." - Doody's review service 5 star rating! Ivan Damjanov, MD(University of Kansas Medical Center)

Users Review

From reader reviews:

Jose Longoria:

Spent a free the perfect time to be fun activity to do! A lot of people spent their sparetime with their family, or their very own friends. Usually they accomplishing activity like watching television, likely to beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your free time/ holiday? Might be reading a book can be option to fill your free time/ holiday. The first thing that you will ask may be what kinds of e-book that you should read. If you want to consider look for book, may be the e-book untitled Rosai and Ackerman's Surgical Pathology: Expert Consult: Online and Print, 10e (Surgical Pathology (Ackerman's)) - 2 Volume Set can be good book to read. May be it could be best activity to you.

Leslie Bennett:

People live in this new moment of lifestyle always aim to and must have the time or they will get great deal of stress from both daily life and work. So , when we ask do people have spare time, we will say absolutely without a doubt. People is human not only a robot. Then we ask again, what kind of activity do you have when the spare time coming to a person of course your answer will certainly unlimited right. Then do you try

this one, reading publications. It can be your alternative in spending your spare time, the actual book you have read is usually Rosai and Ackerman's *Surgical Pathology: Expert Consult: Online and Print, 10e* (*Surgical Pathology (Ackerman's)*) - 2 Volume Set.

Lavada Rowlett:

Your reading sixth sense will not betray you actually, why because this Rosai and Ackerman's *Surgical Pathology: Expert Consult: Online and Print, 10e* (*Surgical Pathology (Ackerman's)*) - 2 Volume Set book written by well-known writer whose to say well how to make book that could be understand by anyone who else read the book. Written within good manner for you, still dripping wet every ideas and composing skill only for eliminate your own hunger then you still hesitation Rosai and Ackerman's *Surgical Pathology: Expert Consult: Online and Print, 10e* (*Surgical Pathology (Ackerman's)*) - 2 Volume Set as good book but not only by the cover but also by the content. This is one publication that can break don't judge book by its cover, so do you still needing yet another sixth sense to pick this!? Oh come on your looking at sixth sense already told you so why you have to listening to one more sixth sense.

Stacy Abercrombie:

As we know that book is important thing to add our expertise for everything. By a book we can know everything we want. A book is a list of written, printed, illustrated or even blank sheet. Every year has been exactly added. This e-book Rosai and Ackerman's *Surgical Pathology: Expert Consult: Online and Print, 10e* (*Surgical Pathology (Ackerman's)*) - 2 Volume Set was filled in relation to science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading the book. If you know how big benefit of a book, you can truly feel enjoy to read a publication. In the modern era like right now, many ways to get book that you simply wanted.
