**Task Force Blue (Rogue Warrior)** By Richard Marcinko, John Weisman

Richard Marcinko's #1 New York Times bestselling autobiography, "Rogue Warrior", brought SpecWar combat out in the open. But only fiction could tell the whole, unrestricted, in two more explosive New York Times bestsellers-- "Rogue Warrior: Red Cell" and "Rogue Warrior: Green Team". Now the Rogue Warrior's back in a raw, authentic novel of relentless action and suspense. When the Rogue Warrior and his elite SEAL team, Task Force Blue, storm a hijacked 727 in Key West, a hostage is killed-- and Marcinko must pay. Facing court-martial and removal from the Navy, he is recruited by the Defense Intelligence Agency to eradicate a secret right-wing terrorist infrastructure. Combating a brutal enemy force, and pursued by the FBI, Marcinko maneuvers through a political, military, and bureaucratic minefield, adhering to the ultimate Commandment of SpecWar-- there are no rules-- win at all cost!

### Editorial Review

#### From Publishers Weekly

Literature imitates steak tartare in these latest adventures (after *Rogue Warrior: Green Team*) of ex-Navy SEAL Dick Marcinko and his handpicked band of operatives. Here, the author has his fictional alter-ego and his underlings combat domestic terrorism?on an airline and at an oil rig, among other colorful locations. Marcinko the character also has a half-million-dollar bounty put on his head by an evil billionaire. Although the first-person narrative bristles with seemingly authentic military detail, readers are assured that "operational details have been altered so as not to betray current SpecWar techniques." Marcinko is less demure about his politics, taking to task politicians, the international arms trade and sloppy security precautions as he pumps for a highly trained and patriotic standing military. The author is running into some problems keeping the series fresh. The thin plot isn't sufficiently obscured by spilled blood and hand-to-hand fighting tips, and Marcinko's insider's voice, while still cocky, is beginning to explain details covered in earlier volumes. But those who enjoy tough tales about men whose purpose is "to annihilate, destroy, obliterate, kill, maim and terminate" will enjoy chewing on this.

#### From Library Journal

Marcinko adds more color to the best-selling success of *Rogue Warrior: Green Team* (Pocket Bks., 1995)

and *Rogue Warrior: Red Cell* (Pocket Bks., 1994) in this novel about terrorists and the men who kill them.

Copyright 1995 Reed Business Information, Inc.

#### From Booklist

Once more, "Rogue Warrior" Marcinko and Weisman parlay the former's experiences into a technothriller starring the former special operations soldier himself. This time, Marcinko's target is a billionaire with presidential ambitions who is planning a wave of terrorism to create demand for a dictator. Sent to investigate, Marcinko soon is on the run from both the billionaire and constituted authority and has to call on his old SEALs buddies to bring the enemy to ground. As usual for a *Rogue Warrior* yarn, this one is a gripping hard-boiled thriller bulked up with information on weapons, hardware, and the psychology of the warrior, all of which takes on the authority conferred by Marcinko's personal experience. *Task Force Blue* may not win any new fans for the salty tongued Marcinko, but it will please the dickens out of all the current ones. *Roland Green*

### Users Review

#### From reader reviews:

##### William Martin:

Why don't make it to become your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite publication and reading a book. Beside you can solve your problem; you can add your knowledge by the publication entitled *Task Force Blue (Rogue Warrior)*. Try to make the book *Task Force Blue (Rogue Warrior)* as your buddy.
