The Doll Maker (Byrne and Balzano) By Richard Montanari

Detectives Byrne and Balzano return to the streets of Philadelphia to put an end to a macabre succession of murdered children.

A quiet Philadelphia suburb. A woman cycles past a train depot with her young daughter. There she finds a murdered girl posed on a newly painted bench. Beside her is a formal invitation to a tea dance in a week's time.

Seven days later, two more young victims are discovered in an abandoned house, posed on painted swings. At the scene is an identical invitation. This time, though, there is something extra waiting for Detectives Kevin Byrne and Jessica Balzano: a delicate porcelain doll.

It's a message. And a threat. With the killers at large, Detectives Byrne and Balzano have just seven more days to find the link between the murders before another innocent child is snatched from the streets.

Editorial Review

Review

"A crime novel that reminded me how fun it is to be scared of my own reflection at 3 a.m. The plot is dense, blood-soaked and thrilling."?Arielle Landau, *New York Daily News*

"A massively fun and thrilling read . . . Richard Montanari's expertly woven tale unfolds beautifully and smartly, never giving away too much, but always maintaining a sense of urgency and suspense that makes the act of reading such a joy."?Brooke Wylie, *Examiner.com*

"A master storyteller. Be prepared to stay up all night."?James Ellroy

"Montanari weaves a mesmerizing tale."?Lisa Gardner

"Compelling . . . Montanari creates a large cast of believable, moving characters, men and women with families, needs, and histories. The workings of the Philadelphia PD are as detailed and convincing as those of Isola in an Ed McBain novel, in which the city itself becomes a virtual character."?Publishers Weekly

About the Author

Richard Montanari is the internationally bestselling author of *The Stolen Ones*, *The Echo Man*, *The Devil's Garden*, *Badlands*, *The Rosary Girls*, *The Skin Gods*, *Merciless*, and more. He lives in Cleveland, Ohio.

Users Review

From reader reviews:

Eric Fincher:
