The Morphine Dream By Donald L. Brown

Starting at age 13 when his father's suicide spun his family into chaos, Donald Brown found himself swirling in a sea of uncertainty. He rebelled, was labeled a "loser," dropped out of high school, and put a promising baseball career on hold to join the Marines. A bizarre accident put his plans out of reach so he settled for a factory job where an industrial accident crushed his knee and left him wheelchair-bound. Doctors told him he'd never walk again. Then, his marriage failed. Brown felt utterly defeated. But while on morphine for pain Brown dreamed he would graduate from Harvard Law School and walk across America. Everyone told him he was crazy. Undeterred, over the next few years, Brown would accomplish both goals. This awe-inspiring story chronicles Brown's journey, both physical and metaphorical, to recalibrate his life. From Boston to Big Sur, from the factory floor to the halls of the Ivy League, this book celebrates determination and courage and offers hope for those who need to reboot their lives. The Morphine Dream will leave you cheering.

Users Review

From reader reviews:

Byron Sierra:

What do you regarding book? It is not important with you? Or just adding material when you really need something to explain what yours problem? How about your free time? Or are you busy person? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question simply because just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this specific The Morphine Dream to read.

Jacqueline Campbell:

Here thing why that The Morphine Dream are different and reputable to be yours. First of all studying a book is good nevertheless it depends in the content of computer which is the content is as delightful as food or not. The Morphine Dream giving you information deeper since different ways, you can find any e-book out there but there is no publication that similar with The Morphine Dream. It gives you thrill reading through journey, its open up your current eyes about the thing that happened in the world which is maybe can be happened around you. You can actually bring everywhere like in park your car, café, or even in your method home by train. Should you be having difficulties in bringing the paper book maybe the form of The Morphine Dream in e-book can be your option.

Christian Rice:

Information is provisions for anyone to get better life, information presently can get by anyone in everywhere. The information can be a information or any news even a concern. What people must be consider whenever those information which is inside the former life are hard to be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you receive the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen in you if you take The Morphine Dream as the daily resource information.

Margaret Parker:

As we know that book is vital thing to add our know-how for everything. By a reserve we can know everything you want. A book is a group of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This e-book The Morphine Dream was filled about science. Spend your extra time to add your knowledge about your technology competence. Some people has different feel when they reading some sort of book. If you know how big selling point of a book, you can really feel enjoy to read a e-book. In the modern era like now, many ways to get book that you simply wanted.
