Bruce Conner: It's All True From *imusti*

Artist Bruce Conner (1933–2008) moved to San Francisco in 1957 and quickly enmeshed himself in the Bay Area's distinctive cultural milieu, combining a vision and a multifaceted body of work that went beyond the limitations of any genre. From early assemblages of the 1950s and 1960s to iconic and pioneering works in film, from photography and photograms to prints, drawings, and paintings, Conner's oeuvre continues to exert tremendous influence on artists working today. This historic retrospective catalogue will be the definitive resource on this important artist for decades to come. Offering a highly anticipated contemporary perspective on Conner, it will prove revelatory in assessing his output and place in postwar art. Illustrated in full color throughout, this comprehensive volume provides access to a range of material that has never been published, including early paintings from the 1950s and works from the last decade of Conner's life, along with a trove of fascinating ephemeral materials. The publication features original scholarship by a range of luminaries, including essays by Frieling, Garrels, Stuart Comer, Diedrich Diederichsen, Rachel Federman, and Laura Hoptman as well as contributions from Michelle Barger, Kevin Beasley, Dara Birnbaum, Carol Bove, Stan Brakhage, Will Brown, David Byrne, Johanna Gosse, Roger Griffith, Kellie Jones, Christian Marclay, Greil Marcus, Michael McClure, Megan Randall, Henry S. Rosenthal, Dean Smith, and Kristine Stiles.

Users Review

From reader reviews:

Francisco Gentry:

Book is actually written, printed, or created for everything. You can realize everything you want by a e-book. Book has a different type. We all know that that book is important thing to bring us around the world. Close to that you can your reading ability was fluently. A publication Bruce Conner: It's All True will make you to become smarter. You can feel a lot more confidence if you can know about every thing. But some of you think in which open or reading some sort of book make you bored. It is far from make you fun. Why they could be thought like that? Have you seeking best book or acceptable book with you?

Dennis Ross:

What do you about book? It is not important with you? Or just adding material when you require something to explain what you problem? How about your free time? Or are you busy individual? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every person has many questions above. They must answer that question simply because just their can do this. It said that about publication. Book is familiar on every person. Yes, it is right. Because start from on guardería until university need that Bruce Conner: It's All True to read.

Henry Hedrick:

Now a day those who Living in the era everywhere everything reachable by connect to the internet and the

resources included can be true or not need people to be aware of each facts they get. How a lot more to be smart in having any information nowadays? Of course the reply is reading a book. Reading a book can help folks out of this uncertainty Information especially this Bruce Conner: It's All True book because this book offers you rich facts and knowledge. Of course the info in this book hundred % guarantees there is no doubt in it you may already know.

Julie Gibson:

Why? Because this Bruce Conner: It's All True is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret that inside. Reading this book beside it was fantastic author who write the book in such wonderful way makes the content inside of easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of advantages than the other book include such as help improving your proficiency and your critical thinking technique. So , still want to hesitate having that book? If I had been you I will go to the guide store hurriedly.
