**Dualed** By Elsie Chapman

***The Hunger Games* meets *Matched* in this high-concept thriller where citizens must prove their worth by defeating the other version of themselves—their twin.**

Two of you exist. Only one will survive.

West Grayer is ready. She's trained for years to confront her Alternate, a twin raised by another family. Survival means a good job, marriage—life.

But then a tragic misstep leaves West questioning: Is she the best version of herself, the version worthy of a future?

If she is to have any chance of winning, she must stop running not only from herself, but also from love . . . though both have the power to destroy her.

Fast-paced and unpredictable, Elsie Chapman's suspenseful YA debut weaves unexpected romance into a chilling, unforgettable world.

### Praise for *Dualed*:

"A gripping, thought-provoking thriller that keeps your heart racing and your palms sweaty. . . . **The kind of book Katniss Everdeen and Jason Bourne would devour.**" —Andrew Fukuda, author of the Hunt series

"Full of unexpected turns. . . . **Fans of the Divergent trilogy will want to read this imaginative tale.**" —VOYA

"A fast ride from first to final pages, *Dualed* **combines action and heart.**" —Mindy McGinnis, author of *Not a Drop to Drink*

"**Intense and swift,** *Dualed* grabbed me by the throat and kept me turning pages all the way to the end. **Romance and action fans alike will love it.**" —Elana Johnson, author of the Possession series

"**Stylish,** frenetic, and violent, . . . the textual equivalent of a Quentin Tarantino movie." —*Publishers Weekly*

"A double dose of intensity and danger in this **riveting** tale of survival, heartache, and love."—Kasie West, author of *Pivot Point*

"This thought-provoking survival-of-the-fittest story will **leave you breathless** for more." —Ellen Oh, author of *Prophecy*

**"Clever suspense**—here, stalking is a two-way street." —*Kirkus Reviews*

*From the Hardcover edition.*

### Editorial Review

#### Amazon.com Review

#### From the Editor of "Dualed"

I read Elsie Chapman's chilling novel, *Dualed*, in one sitting on the morning it was pitched to me. The powerful, raw world of Kersh pulled me in and refused to let go. Here, teens must prepare for the day when they will have one month to hunt down and kill their Alts—twins raised by other families. Only one version of each person is worthy of the city's limited resources. Survival means advanced schooling, work, marriage—life.

Full of action, suspense, and unexpected romance, this is a book that makes you think. What kind of society wants every adult to be a murderer? How far would you go to protect those you love? Would you be more successful if you just had different parents? How would you feel knowing that the other "you" out there might be the better version? *Dualed* is one of those fantastic reads where you turn the last page and then turn to the person next to you to begin talking about it. Enjoy!

—Chelsea Eberly

#### From [Booklist](#)

Aside from steadfast Chord, 15-year-old West has no one. But that doesn't mean that no one is looking for her. As is tradition with every young person and his or her "Alt" (a genetic twin born to different parents), West and her double will soon be given their "assignments" and forced to hunt down each other until one is dead and the other gets to live on as an adult. Fearing her inexperience will doom her, as it did several of her siblings, West hires on as a "striker," an assassin who "completes assignments" on behalf of wealthy Alts. But when her own assignment finally comes in, she finds herself frozen despite Chord's constant care and prodding. The relationship between Chord and West develops realistically enough. What is less logical is West's resistance to completing her assignment, especially in light of Chord's undeniable love for her, and her growing experience as a killer. Despite the uneven pacing of this debut, the subject matter will attract readers who appreciate especially harsh dystopian settings and situations. Grades 7-10. --Heather Booth

#### Review

#### Library Media Connection

"This is one debut novel that will have readers hooked from the first line...It is a logical next-read for Hunger Games fans with potential for authentic class discussions on survival of the fittest, and making tough choices in a true 'kill or be killed' world."

## **Users Review**

### **From reader reviews:**

#### **Charles Siegrist:**

What do you think of book? It is just for students because they are still students or the item for all people in the world, the particular best subject for that? Merely you can be answered for that query above. Every person has various personality and hobby for every single other. Don't to be pushed someone or something that they don't would like do that.
