From the Back Cover

***Global Problems: The Search for Equity, Peace, and Sustainability* examines the various dimensions of globalization and the social problems of inequality, war and violence, and environmental sustainability that are occurring on a global scale.** Clear writing and vivid, current examples help readers to better understand their roles as global citizens.

The book is divided into **three parts**:

Part I focuses on the challenges of global inequalities: in life chances, wages and work, gender and education.

Part II focuses on conflict and violence at all levels: from crime to politics, terrorism to war.

Part III focuses on the issue of sustainability and the problems of urbanization, crowding, and environmental destruction.
