The Gold Standard GAMSAT with Online Card (UK, Ireland) By Dr. Brett Ferdinand

This edition includes an Online Access Card and Section 1 has been revised. This edition also takes into consideration the fact that the GAMSAT no longer permits calculators and so the steps of all calculations are shown. *The Gold Standard* has integrated textbook reading and many free features including online problem solving with explanations, essays for you to review in the book and online, ten hours of online teaching videos with ideas presented in clear terms, online equation lists and organic reaction summary, hundreds of additional practice questions with a forum thread to discuss every individual question—and much more. The Gold Standard GAMSAT DVD includes sixteen science review DVDs prepared for the MCAT with all the major GAMSAT science topics clearly explained, and to increase study efficiency, flashcards, MP3s, and an iPhone application. The flashcards and iPhone App point to the appropriate section in the book and the book points to the DVD lecture.

Editorial Review

About the Author

Dr. **Brett Ferdinand** was awarded numerous scholarships en route to graduating with honors in a B.Sc. program. Years ago, confident that he would one day be a doctor, he fulfilled his passion for teaching by creating The Gold Standard Courses, which have become a perennial lecture series in the US and Canada, and now also Australia and Ireland. After being accepted to all of the medical schools to which he applied, he completed *The Gold Standard MCAT* textbook. The book received distribution throughout North America, instantly became one of the best selling study guides and, more recently, was honored by USA Book News. Dr. Ferdinand continues to be known as a dynamic lecturer on the admissions process and the basic sciences. He is well known for making difficult concepts easy to understand. Over the years, he has lectured to thousands of premedical students and reached thousands more through his books, online interactive programs, and his medical school interview videos on YouTube.
