When Darkness Falls: The Obsidian Trilogy, Book 3 (The Obsidian Mountain Trilogy) By Mercedes Lackey, James Mallory

When Darkness Falls, the third book in The Obsidian Trilogy from Mercedes Lackey and James Mallory

Despite a great working of Wild Magic and High Magic that struck at the heart of the Demon Queen's evil plots, Knight-Mage Kellen and his Elven allies are still seen as enemies by the human Mage Council. The Elves and their allies must find a way to shatter the Demons' hold on the human Mages, for without their High Magic, the forces of Light will be destroyed by the forces of Darkness. The Commander of the Armies of Light decides to turn an Elven mine into a refuge for those driven from their homes by the war. Kellen is put in command of the force of engineers and warriors who will fortify the mine and does not learn until it is nearly too late that the caverns are full of Shadowed Elves. Vestakia, the half-human, half-Demon healer, finds that she has begun to be able to read the mind of her Demon father, Crown Prince Zyperis.

The Demon Queen, Savilla, is preparing a great sacrifice that will summon He Who Is back to the world and make her the ultimate ruler forever. When Wild Mage Idalia learns of Savilla's plans, she knows there is only one way to prevent the coming of He Who Is. A very different sort of sacrifice must be made.

Editorial Review

From Publishers Weekly

At the start of Lackey and Mallory's highly readable conclusion to their Obsidian fantasy trilogy (after 2004's *To Light a Candle*), Knight-Mage [Kellen], leader of the alliance of humans and elves, has his work cut out for him when the forces of demon queen Savilla go on the offensive. Fortunately, [Kellen] has a powerful ally in the half-breed healer Vestakia, who because she's half demon can read the mind of her demon father and provide priceless information on their enemies. The deft handling of the romance between [Kellen] and Vestakia helps heighten suspense as the struggle on both the physical and magical planes grows more intense. Short scenes speed the action, which at times can be hard to follow, even for those familiar with the previous two volumes. Nonetheless, high fantasy fans should appreciate the intelligent storytelling with an unmistakable flavor of Andre Norton at her best. (July)

Review

To Light a Candle

A *New York Times* bestseller

"Lackey and Mallory combine their talents for storytelling and world crafting into a panoramic effort. Filled with magic, dragons, elves, and other mythical creatures, this belongs in most fantasy collections."--*Library Journal*

The Outstretched Shadow

Best Science Fiction, Fantasy, or Horror, *VOYA*

"In the captivating world conjured by veteran Lackey and classical scholar Mallory, there are three types of magic, each of which has its own rules, limits and variables. Kellen sets down a road he never expected to take, on a journey of dire importance to both humans and nonhumans (the latter including elves, unicorns, and other enchanting creatures). The narrative speeds to the end, leaving the reader satisfied and wanting to know more."--*Publishers Weekly*

"[Kellen's] father banishes him forever from the City and to a horrific death prearranged by the mages. The Wild Magic has another agenda for him, however, involving an acerbic unicorn and a woman--heavens!--to learn the Wild (but not sex) Magic from. Delightful."--*Booklist*

About the Author

Mercedes Lackey is the author or coauthor of close to 100 books, including the Halfblood Chronicles, the Dragon Jousting series, and the bestselling novels of Valdemar.

James Mallory is the bestselling author of the Merlin Trilogy and coauthor of the Obsidian Trilogy.
