## **Editorial Review**

### **Review**

"*Where the Domino Fell* is a very well informed and well documented critique of U. S. policy in Vietnam. From the opening years of U.S. involvement in Indochina during the Truman administration, down to the final withdrawal in the mid-1970s, the authors have provided an in-depth and topically balanced analysis of how and why the United States became involved in Vietnam and of the strategy debates that occurred over how to win the war.... An impressive achievement."

—William J. Duiker, Ho Chi Minh (2000) *Sacred War: Nationalism, and Intervention, and the Lessons of Vietnam* (1995)

### **From the Back Cover**

*Where the Domino Fell* recounts the history of American involvement in Vietnam from the end of World War II, clarifying the political aims, military strategy, and social and economic factors that contributed to the participants' actions.

Narrated in an accessible style by two distinguished historians, this revised edition includes a final chapter examining Vietnam through the films of Oliver Stone. Compact yet substantial, and containing a bibliography, chronology, and glossary to further help students, *Where the Domino Fell* is an important contribution not only to the study of the Vietnam War but to an understanding of the larger workings of American foreign policy.

### **About the Author**

**James S. Olson** is Distinguished Professor of History at Sam Houston State University. He is the author, co-author, editor, or co-editor of more than thirty books, including *Bathsheba's Breast: Women, Cancer, and History* (2002) which was nominated by The Johns Hopkins University Press for the Pulitzer Prize in History, won the History of Science Category Award from the Association of American Publishers, and was recognized by the *Los Angeles Times* as one of the best non-fiction books in America for 2002.
