*Her boss meant business!*

Saville Craythorne was not amused! He'd discovered that Edney—his new assistant—was in fact the pretty girl he'd asked for a date last Saturday night!

Edney was mortified! The tall, handsome stranger who'd kissed her and invited her out to dinner was now her boss!

Edney needed her job, and Saville made it clear he *never* indulged in after-hours affairs! The only answer was to be cool and utterly professional—but that was easier said than done...when attraction was on the agenda!

***Marrying the Boss***
