**BONE: CODA 25th Anniversary Special** From Cartoon Books

**co·da** (*ko-d?*) noun

1. *the concluding passage of a piece or movement, typically forming an addition to the basic structure.*
2. *a concluding event, remark, or section.*

25 years after the first black & white issue of the self-published comic book *BONE* appeared on comic shop shelves, and over a decade since the concluding chapter comes a new (and completely superfluous!) adventure featuring the Bone cousins! Ride along with the boys and their friend Bartleby the Rat Creature as they brave the dangerous journey across the desert back toward Boneville in their rickety cow cart. Creator Jeff Smith is back for another laugh with Fone Bone, Phoney Bone and Smiley!

Also included is the complete text of *The BONE Companion* fully illustrated for the first time! Written by award winning comics historian Stephen Weiner, author of *101 Outstanding Graphic Novels*, *Faster than a Speeding Bullet: The Rise of the Graphic Novel*, *The Hellboy Companion*, and *The Will Eisner Companion*.

All this plus rare behind the scenes photos & memories, and an afterword by the author thanking the comics community and the readers all add up to make this a truly special commemorative volume of *BONE* to add to your collection!

### Editorial Review

#### Review

"With 'Bone: Coda,' Jeff Smith revives the unlikeliest success story in comics history. In the course of 55 issues, the cartoon epic would create a new infrastructure for comics to land in libraries, bookstores and the hands of readers young and old. It's also addictive, charming and funny as hell."

-Playboy

"Fun, with some exceptionally executed gags, and the usual laugh-out-loud jokes."

-Multiversity

"It's funny, with the usual great comic timing, goofy body language, zipping one-liners and mad eyebrows. And it is nice to see these characters again, and see them interact, just like they used to."

-The Tearoom of Despair

"Bone is possibly one of the best fantasy series ever told. If you're a completest, you're going to need to pick this up."

-Boing Boing

"This love letter to supportive readers and retailers and fellow creators is far from dashed off, but an in-depth appraisal and a catalogue of gratitude. It's warm, intimate and exceptionally generous."
