**China Dreams : China's New Leadership and Future Impacts** By Chih-shian Liou, Arthur S Ding

With the theme "China Dreams: Opportunities and Challenges," this book contributes to emerging debates on Chinese new leadership's adaptability to important political, economic, social, and global issues. Can China's political system sustain "China Dreams," a slogan ushered by Chinese President Xi Jinping? Does the fulfillment of "China Dreams" require political reform? Does the initiation of the agenda of "China Dreams" facilitate China's economic transition? To what extent does "China Dreams" pave the way for China's peaceful rise? By exploring the preceding questions, the essays by Chih-shian Liou, Chin-fu Hung, Kellee S Tsai, Chung-min Tsai, Thomas Gold, Lowell Dittmer, Victoria Tin-bor Hui, and Scott L Kastner provide a comprehensive analysis of the agenda of China's new leadership.

Readership: Academics, professionals, undergraduate and graduate students interested in China's political system, China's new leadership and agenda of "China Dreams".

## Editorial Review

### Review

*"Written by leading scholars of Chinese politics, economics, history, and society, this volume is one of the first to analyze Chinese leader Xi Jinping's notion of a 'China Dream.' Exploring both the content and likely impact of Xi's 'dream,' the authors paint a multifaceted picture of China's historical development, current status, and future trajectory — both domestically and internationally. Their findings suggest that China's leaders face substantial challenges, and that the realization of Xi's 'dream' may not be smooth. Some groups and vested interests appear determined to resist or redirect Xi's dream. And there are signs that conflict and tension may accelerate, not only between the Chinese party-state and its people, but also within the party-state, and between China and other countries. For readers seeking a wide range of perspectives on China's rise, this volume provides much food for thought."* -- Teresa Wright, Chair and Professor, Political Science, California State, University, Long Beach
