**Paradise Lost (Penguin Classics)** By John Milton

**John Milton's celebrated epic poem exploring the cosmological, moral and spiritual origins of man's existence**

In *Paradise Lost* Milton produced poem of epic scale, conjuring up a vast, awe-inspiring cosmos and ranging across huge tracts of space and time, populated by a memorable gallery of grotesques. And yet, in putting a charismatic Satan and naked, innocent Adam and Eve at the centre of this story, he also created an intensely human tragedy on the Fall of Man. Written when Milton was in his fifties - blind, bitterly disappointed by the Restoration and in danger of execution - *Paradise Lost*'s apparent ambivalence towards authority has led to intense debate about whether it manages to 'justify the ways of God to men', or exposes the cruelty of Christianity.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

## **Editorial Review**

### **Review**

“In this landmark edition, teachers will discover a powerful ally in bringing the excitement of Milton’s poetry and prose to new generations of students.”—William C. Dowling, Rutgers University

“This magnificent edition gives us everything we need to read Milton intelligently and with fresh perception.”—William H. Pritchard, Amherst College

### **From the Publisher**

This is the first fully-annotated, old-spelling edition of *Paradise Lost* to be published in this century. It surveys in its introduction and incorporates in its notes the large amount of criticism published between 1965 and the present--not to mention the criticism that began with Dryden, Addison, Samuel Johnson, and William Blake--and it reflects critical perspectives from New Criticism to Deconstruction, from Philology to New Historicism and Feminism. On the page, the book combines the look and feel of original editions with the convenience of wide margins and thorough annotation.

### **About the Author**

**John Milton** (1608-1674) spent his early years in scholarly pursuit. In 1649 he took up the cause for the new Commonwealth, defending the English revolution both in English and Latin - and sacrificing his eyesight in the process. He risked his life by publishing *The Ready and Easy Way to Establish a Free Commonwealth* on the eve of the Restoration (1660). His great poems were published after this political defeat.

**John Leonard** is a Professor of English at the University of Western Ontario.

## **Users Review**

### **From reader reviews:**

#### **Willie Hickox:**

Now a day people that Living in the era just where everything reachable by interact with the internet and the resources within it can be true or not need people to be aware of each info they get.
