Review

"A top selection of submission stories to tantalize anyone craving some darker, well-written smut."?Library Journal

"This intense collection of 21 stories is less for ladies with fuzzy pink handcuffs and schoolgirl outfits, and more for those who are seriously into BDSM. King (Under Her Thumb) collects only the hardest and most extreme."?Publishers Weekly

"Award-winning author and editor D. L. King has bound together an exciting erotic experience sure to tie you up for hours and hours."?Sex in Words

"Kinky erotica that delivers what it claims to. BDSM and D/s relationships galore, this anthology is hot as hell."?On Her Back

"It's a delightful book for those into or curious about BDSM!"?Yolanda Shoshana

"These hot new tales of female submission depict an array of ways women can and do submit to another person. By relinquishing power in a scene one is free to fully experience the now; they can feel the feels, taste the tastes, not to mention shiver in the unknown rushes of sensations ranging from pleasure to pain and back again."?Geeky Nymph

"The scenarios in these stories, as well as in the collection as a whole, breathe life into tired tropes. There is humor and humanity in these pages, and I gobbled them up with the same fascination I felt watching Maggie Gyllenhaal in *The Secretary* for the first time. I love it when a collection makes me think or feel, and this one did both."?Malin James

"These writers understand that the urge to obey, to be trussed up, to feel the unyielding sting of a quick cane across the backside, is as much about being in control as it is giving control to another."?KD Grace

"The anthology is truly for those from all walks of life; from those simply curious about submission and all that comes with it to those already fully involved with and enjoying the 'scene'."?Cara Sutra

"Forever in an electric dance of give and take, pleasure and power are inextricably linked."?Creative Loafing Tampa

"*Slave Girls: Erotic Stories of Submission*, edited by D.L. King, played with every BDSM type kinky fantasy I've ever had and a few I didn't even know about."?Quixotic Orchid

"For those who love BDSM and erotic literature of this type, it's a slam dunk addition to their erotic bookshelves."?Leather and Lace Spice

"Pleasure and power come together in a world that is driven by females who are there to be of pleasure of the men/women who dominate them."?Reviews by Amos Lassen

"An anthology dedicated to the erotic pleasure found within the act of submission. *Slave Girls: Erotic Stories of Submission* was just what I need on a rainy day, a literary delicatessen of kink."?Kink Etc.

"Short stories centered on female submission."?The Rainbow Hub

The Gift of Submission

Forever in an electric dance of give and take, pleasure and power are inextricably linked. In *Slave Girls*, award-winning eroticist D. L. King pulls back the velvet curtain to reveal a world where every sexual fantasy is realized, a world driven by women devoted to their own desires and their dominants. These *Slave Girls* want nothing more than to willingly relinquish control to the capable hands of the right Master. Trained and tested to suit every sexual taste, these women learn the ropes—literally. A hassle-filled day turns on a dime when a strong Dom takes charge in Victoria Behn's "Hell-Bent for Leather." In Giselle Renarde's "Postcards from Paris," one good girl lives for her daily dose of discipline and tough love. The thrill of being in service to a stranger compels the lust-filled sub in Rachel Kramer Bussel's "Out of Sight." Your own desires may surprise you after finishing the submissive exploits of *Slave Girls*.
