Tall Story By Candy Gourlay

Andi is short. And she has lots of wishes. She wishes she could play on the school basketball team, she wishes for her own bedroom, but most of all she wishes that her long-lost half-brother, Bernardo, could come and live in London where he belongs.

Then Andi's biggest wish comes true and she's minutes away from becoming someone's little sister. As she waits anxiously for Bernardo to arrive from the Philippines, she hopes he'll turn out to be tall and just as crazy as she is about basketball. When he finally arrives, he's tall all right. *Eight feet tall*, in fact—plagued by condition called Gigantism and troubled by secrets that he believes led to his phenomenal growth.

In a novel packed with quirkiness and humor, Gourlay explores a touching sibling relationship and the clash of two very different cultures.

From the Hardcover edition.

Editorial Review

From [Booklist](#)

Starred Review Working through the many meanings of “tall story,” first-time author Gourlay slam-dunks this tale of a towering boy from the Philippines and the pint-size, basketball-crazy half sister with whom he has recently been reunited. Told in the alternating voices of Bernardo, who suffers from gigantism, and Andi, who longs to play point guard on her school’s b-ball team, the novel effortlessly encompasses real-world dreams as well as magic realism. Bernardo was left behind when his mother, a nurse, immigrated to the UK and forged a new family. In San Andres, Bernardo is seen as a reincarnated folk-hero giant who protects the area from earthquakes, though he believes the blame for his freakish height falls on the local witches who cursed him. In contrast to Bernardo’s anxieties over coming to the UK, Andi’s struggles of readjustment to her changed family appear minor. Wonderfully, though, Gourlay uses the dual viewpoints to show that Andi’s concerns are no less important. And, it turns out, she finds that there is more than one thing worth wishing for. This will capture the hearts and minds of sports lovers—and just about everyone else as well. Grades 6-9. --Karen Cruze

Review

Starred Review, [School Library Journal](#), March 2011:

"Contemporary Tagalog and British vernacular enhance the brother/sister narration and enliven the depiction of cultures. In her first young adult novel, Gourlay offers an appealing blend of diverse characters, emotional conflicts, well-paced action, and an upbeat finale. The challenges facing separated, immigrant families and the universal teen desire for acceptance and respect ring true."

From the Hardcover edition.

About the Author

Users Review

From reader reviews:

Mary Muncy:

This book untitled *Tall Story* to be one of several books that will best seller in this year, that is because when you read this guide you can get a lot of benefit upon it. You will easily to buy this specific book in the book retailer or you can order it by way of online. The publisher on this book sells the e-book too. It makes you quicker to read this book, since you can read this book in your Mobile phone. So there is no reason to your account to past this e-book from your list.

Evelyn Rogers:

Reading a guide tends to be new life style with this era globalization. With examining you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire their reader with their story or their experience. Not only situation that share in the textbooks. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors nowadays always try to improve their ability in writing, they also doing some research before they write to the book. One of them is this Tall Story.

Douglas Brim:

Playing with family in a park, coming to see the sea world or hanging out with close friends is thing that usually you have done when you have spare time, in that case why you don't try matter that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Tall Story, it is possible to enjoy both. It is very good combination right, you still wish to miss it? What kind of hangout type is it? Oh occur its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.

Jennifer Powell:

Many people spending their time frame by playing outside together with friends, fun activity using family or just watching TV all day every day. You can have new activity to shell out your whole day by reading through a book. Ugh, do you think reading a book can really hard because you have to bring the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Cell phone. Like Tall Story which is finding the e-book version. So , why not try out this book? Let's see.
