IT'S A BOY!

To hear these words is the dream of every mother. From her son, a woman learns what it feels like to grow up in a male body. As his trusted adviser, teacher, and friend, she helps to shape his view of himself, of others, and of the world. She instills values and ideals that will stay with him throughout his life, and she has so many hopes and dreams for the man he will become. Because of her son, a mother's life will be more meaningful, her joys will be greater, and her heart will experience the greatest love imaginable.

BOYS WILL BE BOYS!

There are moments in a son's life when he tests his mother's resolve, as well as her patience, but the bond between them is unbreakable. She is his mirror for how he looks at the world and for how the world looks at him. As a child, he will turn to her for guidance, understanding, and support; as he grows older, he will do everything he can to protect and care for her. Though he may have difficulty putting his feelings into words, there is never any doubt of a son's respect, devotion, and incredible love for his mother.

LIKE MOTHER, LIKE SON.

For all their obvious differences, there could never be two people more alike. Their time together is filled with unforgettable memories and immeasurable rewards. The tenderness and pride they feel toward each other can only be surpassed by the happiness they share. Theirs is a close and enduring relationship that only a mother and son can ever know... and a very special feeling of love that lives forever in their hearts.
