## The Millionaire Course: A Visionary Plan for Creating the Life of Your Dreams By Marc Allen

What do we dream of doing in our lives, and how to we accomplish those dreams? The Millionaire Course gives us the tools we need. The book is an entire course, an in-depth guide consisting of 12 major steps or lessons of the Course with 160 keys to success woven throughout, which are numbered and set in bold type. It is not necessary to master all these keys; all you need to do is find the ones that work for you. As Marc Allen states in the Introduction:

You'll find that whatever time you spend with any of these keys is highly valuable — quite possibly in ways you can't even imagine yet, or can only just begin to imagine. You'll have a sudden moment of understanding, a bit of illumination, and you'll come to understand a "secret" to success in a new, fresh way. You'll have found a key that opens a door into a whole new world, one with far greater possibilities than before. Eventually you will come to fully understand this key: You are a powerful, creative person able to do, be, and have what you want in life.
