**Urogynecology and Reconstructive Pelvic Surgery, 4e** By Mark D. Walters MD, Mickey M. Karram MD

Edited and authored by some of the most respected figures in the field, *Urogynecology and Reconstructive Pelvic Surgery* presents **definitive, state-of-the-art guidance** on every aspect of Female Pelvic Medicine and Reconstructive Surgery (FPMRS), equipping you to **make the best clinical decisions and optimize outcomes**. Its easily accessible format is uniquely organized to reflect a physician's decision-making process -- from basic concepts through to clinical and urodynamic evaluation, management, and treatment. This **practical, clinically oriented** text is an ideal resource for OB/GYNs and Urologists as well as subspecialists in FPMRS, providing the latest information on procedures and available research regarding the evaluation and treatment of the growing number of patients presenting with these types of conditions.

- **Glean all essential, up-to-date, need-to-know information** with a new section on surgical complications and their management; important new discussions on the psychosocial issues associated with treating patients with female pelvic floor disorders; and a new focus on female sexual function and dysfunction.
- **Prevent and plan for complications prior to a procedure** thanks to a step-by-step approach to each procedure, complete with personal techniques and tips from leading experts.
- **Put concepts into practice.** Case presentations from leading experts in FPMRS allow the reader to apply the information presented to everyday clinical situations.
- **Effectively detect, prevent and treat common female pelvic floor disorders** including stress incontinence, overactive bladder, pelvic organ prolapse, defecation disorders, painful bladder and irritative voiding disorders, and urinary tract infection.
- Get a true-to-life view of each procedure through full-color, crisp illustrations that illuminate every detail and nuance.
- **Stay current the latest advancements and developments** with sweeping updates and 9 NEW chapters: Congenital Anomalies of the Female Genital and Urinary Tracts | Physiology of the Pelvic Muscles, Vagina and Ano-Rectum |

Female Sexual Function and Dysfunction 1 Multichannel-Urodynamics: Indications, Techniques and Interpretation with Case Studies 1 Video and Ambulatory Urodynamics: Indications, Techniques and Interpretation with Case Studies 1 Hysteropexy 1 Avoiding and Managing Lower Urinary Tract Injuries During Pelvic Surgery 1 Managing Mesh and other Vaginal Complications after Surgeries for Incontinence and Prolapse 1 and Surgical Management of Detrusor Compliance Abnormalities.

- **Master urodynamic testing** with step-by-step instructions on basic evaluation as well as the evaluation of complex cases with videourodynamics.
- **Know what to do and expect** with algorithmic approaches to common complaints, evidence-based assessments of appropriate therapies, and **clear full-color** surgical illustrations as well as evidence-based assessments of appropriate therapies.

## **Editorial Review**

Review

*"It is immensely convenient to have access to a thorough and updated textbook devoted exclusively to the urogynecological field for both reference and contemplation."*

-Acta Obstetricia et Gynecologica Scandinavica (2015)

## **Users Review**

**From reader reviews:**

**Carl Moss:**

Why? Because this Urogynecology and Reconstructive Pelvic Surgery, 4e is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will distress you with the secret the item inside. Reading this book adjacent to it was fantastic author who have write the book in such wonderful way makes the content within easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of advantages than the other book have got such as help improving your expertise and your critical thinking means. So , still want to delay having that book? If I had been you I will go to the publication store hurriedly.

**Patrick Duenas:**

Does one one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Try and pick one book that you never know the inside because don't assess book by its cover may doesn't work here is difficult job because you are frightened that the inside maybe not while fantastic as in the outside search likes. Maybe you answer can be Urogynecology and Reconstructive Pelvic Surgery, 4e why because the fantastic cover that make you consider concerning the content will not disappoint anyone. The inside or content is actually fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

**Glory Ruiz:**

With this era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple strategy to have that.
