Victoria and the Rogue By Meg Cabot

Victoria

Growing up in far-off India, wealthy young heiress Lady Victoria Arbuthnot was accustomed to handling her own affairs -- not to mention everyone else's. But in her sixteenth year, Vicky is unceremoniously shipped off to London to find a husband. With her usual aplomb, however, Lady Victoria gets herself engaged to the perfect English gentleman, even before setting foot on British soil.

The Rogue

Hugo Rothschild, ninth earl of Malfrey, is everything a girl could want in a future husband: he is handsome and worldly, if not rich. Lady Victoria has everything just as she'd like it. That is, if raffish young ship captain Jacob Carstairs would leave well enough alone.

Jacob's meddling is nothing short of exasperating, and Victoria is mystified by his persistence. But when it becomes clear that young Lord Malfrey just might not be all that he's professed to be, Victoria is forced to admit, for the first time in her life, that she is wrong. Not only about her fiance, but about the reason behind the handsome ship captain's interference.

About the Author

Meg Cabot is the author of the best-selling, critically acclaimed, immensely popular *Princess Diaries* novels, as well as *All-American Girl*, *Haunted*, and two Regency novels, *Nicola and the Viscount* and *Victoria and the Rogue*. Meg was born in Bloomington, Indiana, and her childhood was spent in pursuit of air conditioning, of which there was little at the time in southern Indiana. A primary source proved to be the Monroe County Public Library, where Meg whiled away many hours, reading the complete works of Jane Austen, Judy Blume, and Barbara Cartland.

Armed with a fine arts degree from Indiana University, Meg moved to New York City, intent upon pursuing a career in freelance illustration. Illustrating, however, soon got in the way of Meg's true love, writing, and so she abandoned it and got a job as the assistant manager of an undergraduate dormitory at New York University, writing on the weekends, and whenever her boss wasn't looking.

Meg lives in New York City with her husband, Benjamin, a poet, financial market writer and fellow Hoosier, and their one-eyed cat, Henrietta.
