Christina, Queen of Sweden: The Restless Life of a European Eccentric By Veronica Buckley

Not unlike the elusive figure played by Greta Garbo, the real Queen Christina stood among the most flamboyant and controversial figures of the seventeenth century. All of Sweden could not contain her ambition or quench her thirst for adventure. Freed from her crown, she cut a breathtaking path across Europe -- spending madly, seeking out a more majestic throne, and stirring up trouble wherever she went. With a dazzling narrative voice and unerring sense of the period, Veronica Buckley goes beyond historical myth to breathe life into an extraordinary woman who set the world on fire and became an icon of her age -- a time of enormous change when Europe stood at the crossroads of religion and science, antiquity and modernity, war and peace.

This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

Bernard Kovach:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't

see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Christina, Queen of Sweden: The Restless Life of a European Eccentric can make you really feel more interested to read.
