## **Editorial Review**

Review

### **President Bill Clinton**

“A gripping recollection of the quake's ruin, chaos, and despair, and the story of remarkable persistence, hope, and love in the aftermath. Once you've seen Haiti through Paul Farmer's eyes, you'll never see Haitians, or any of the world's poorest people, quite the same way again.”

### **Adam Hochschild**

“Profoundly moving....An urgent dispatch from the front by one of our finest warriors for social justice. With eloquence and wisdom, Paul Farmer shows how we cannot fully comprehend one of the great natural disasters of history without understanding the man-made suffering that Americans and others have inflicted on Haiti.”
