Industrial/Organizational Psychology: Understanding the Workplace By
Paul E. Levy

This student-friendly textbook, written by a leading researcher at one of the nation's top I/O programs, is unique in its emphasis on how I/O psychologists are trained; its social/contextual approach to performance appraisal; and the strength of its pedagogy, including "practitioner forums." This edition features full integration of changes and events that are currently taking place in today's work environments. Industrial/Organizational Psychology focuses on the psychology of the workforce, employee health and well-being, organizational behavior, motivation, human resources, and various dynamics of work interaction. Levy's book has been well received by reviewers for its applied approach and for the author's personal, direct, and casual tone, which sets it apart in the field.

Editorial Review

Users Review

From reader reviews:

Nellie Davis:

The book Industrial/Organizational Psychology: Understanding the Workplace can give more knowledge and also the precise product information about everything you want. Why then must we leave the best thing like a book Industrial/Organizational Psychology: Understanding the Workplace? Wide variety you have a different opinion about guide. But one aim this book can give many facts for us. It is absolutely suitable. Right now, try to closer using your book. Knowledge or facts that you take for that, it is possible to give for each other; you could share all of these. Book Industrial/Organizational Psychology: Understanding the Workplace has simple shape but you know: it has great and large function for you. You can seem the enormous world by open and read a book. So it is very wonderful.

Mary Torres:

Reading a book to become new life style in this season; every people loves to examine a book. When you go through a book you can get a large amount of benefit. When you read guides, you can improve your knowledge, since book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you wish to get information about your review, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, such us novel, comics, and soon. The Industrial/Organizational Psychology: Understanding the Workplace will give you new experience in reading a book.

Jennifer Games:

As we know that book is very important thing to add our understanding for everything. By a reserve we can know everything we want. A book is a range of written, printed, illustrated or even blank sheet. Every year has been exactly added. This e-book Industrial/Organizational Psychology: Understanding the Workplace was filled concerning science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people has several feel when they reading a book. If you know how big selling point of a book, you can feel enjoy to read a reserve. In the modern era like right now, many ways to get book that you just wanted.

Lillie Moreland:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their

interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Industrial/Organizational Psychology: Understanding the Workplace can make you experience more interested to read.
