**It Happened One Autumn (The Wallflowers, Book 2)** By Lisa Kleypas

*Four young ladies enter London society with one necessary goal: they must use their feminine wit and wiles to find a husband. So they band together, and a daring husband-hunting scheme is born.*

It Happened at the Ball...

Where beautiful but bold Lillian Bowman quickly learned that her independent American ways weren't entirely "the thing." And the most disapproving of all was insufferable, snobbish, and impossible Marcus, Lord Westcliff, London's most eligible aristocrat.

**It Happened in the Garden...**

When Marcus shockingly -- and dangerously--swept her into his arms. Lillian was overcome with a consuming passion for a man she didn't even like. Time stood still; it was as if no one else existed...thank goodness they weren't caught very nearly in the act!

It Happened One Autumn...

Marcus was a man in charge of his own emotions, a bedrock of stability. But with Lillian, every touch was exquisite torture, every kiss an enticement for more. Yet how could he consider taking a woman so blatantly unsuitable...as his bride?

### Editorial Review

From Publishers Weekly

Though this historical romance kicks off on a corny note—with the heroine, who has a supersensitive sense of smell, buying a seemingly magical perfume—the story quickly evolves into the kind of engrossing, dynamic romance that readers have come to expect from Kleypas. The setup is familiar: strong-willed American heiress Lillian Bowman gets under the skin of straitlaced earl Marcus Westcliff, and soon finds herself sharing the sheets with him. But what distinguishes this book from a multitude of similar stories are Kleypas's characters. One can imagine the mouthy Lillian as a regular on *Sex and the City* and, with his contemporary sensibilities and hunky good looks, Marcus could easily win the heart of a modern woman. Indeed, while the protagonists are both hardheaded in a typical way and their path toward love is peppered with few surprises, it's no chore to sit back and be amused by their antics and engrossed in their struggles. Even if this romance isn't as fresh as the first book in Kleypas's Wallflowers series, *Secrets of a Summer Night*, the charismatic characters—including Lillian's pert sister and chatty, mischievous friends—ensure that it's never boring.
