Editorial Review

From the Back Cover

Morals are the ropes and axes necessary for climbing those great heights from which a greater journey begins. That journey leads to the happy land of the Trinity. It is there that joys, almost unimaginable in this world, begin. Begin not end. *from the preface*

In *The Screwtape Letters*, C.S. Lewis's famous devil derides the Christian year as The Same Old Thing. To combat this, Walter Hooper has drawn from Lewis's vast bibliography, accumulating short meditations that correspond to each day of the Christian calendar. Hooper has chosen passages that emphasize Lewis's illuminatingly matter-of-fact approach to religion, with each entry focused on themes such as Nearness to God, Heaven and Sexuality, or Two Kinds of Good and Bad. In addition to providing food for thought, these bite-sized excerpts facilitate a yearlong journey towards achieving the joy that Lewis wrote is the serious business of heaven.

"The point about reading C. S. Lewis is that he makes you sure, whatever you believe, that religion accepted or rejected means something extremely serious, demanding the entire energy of the mind." *Harper's*
"A potent anthology." *Los Angeles Times*
"

About the Author

C. S. (Clive Staples) Lewis (1898-1963), one of the great writers of the twentieth century, also continues to be one of our most influential Christian thinkers. A Fellow and tutor at Oxford until 1954, he spent the rest of his career as Chair of Medieval and Renaissance English at Cambridge. He wrote more than thirty books, both popular and scholarly, including The Chronicles of Narnia series, *The Screwtape Letters*, *The Four Loves*, *Mere Christianity* and *Surprised by Joy*.

Users Review

From reader reviews:

Linda King:
