## **Editorial Review**

### **Review**

"This book serves as a cultural, social and personal "wake-up call" to a world culture awash in too many words that are useless, destructive and meaningless. It is also a superlative instrument for theological/homiletical dialogue.."

-Homiletic, Winter 1998 Vol XXIII, No 2

"This remarkable book reflects the main issues of contemporary philosophy . . . [Corradi Fiumara's] arguments for an integral understanding of Western logic . . . are convincing and . . . they open new perspectives as well as outlooks on the future of philosophy."

From reviews of the cloth edition:

-Manfred Riedel
