#### From the Inside Flap

'Ethan--' She sounded breathless, needy. He loved the sound of his name on her lips.

'Ethan, we shouldn't do this. This is a really bad idea.'

'I know,' he muttered, and set his lips to hers.

His taste was dark and cool. Dangerously arousing, impossibly perfect, assaulting her senses. Her hands fisted in his shirt and she made a tiny sound in her throat, a wordless plea for more, and he heard it. Gave it, moving fast as he pressed her against the wall, his hands snaking into her hair as his lips crushed down on hers. Ethan couldn't get enough of her. He'd never get enough. The thought slammed into him, and gave him the strength to drag his hands from her hair and step away.

He had to - someone had to - because if they didn't end this now...

'We shouldn't do that again,' he muttered.
