Editorial Review

From the Back Cover

American Government provides today's students of American politics with a concise and contemporary overview of the American political system, its institutions, and policies, while using the Constitution as a backdrop and touchstone in every chapter. A longtime, best-selling author and professor of political science, Walter Volkemer once again trains his sights on the most significant issues necessary for understanding American government — free of ideological or political bias.

New to the Thirteenth Edition:

- President Obama's historic campaign and first year in office are covered in detail, providing the most current treatment of important national and international issues, such as the appointment of Justice Sotomayor and the rising threats of North Korea and Iran.
- Critical and relevant current events and debates are explored throughout the book — including the 2008/2009 economic crisis, the debate over healthcare, public attitudes toward gay marriage — to spark student interest and demonstrate how government affects daily lives of all Americans.
- New questions — designed to promote critical thinking as students read the chapters — have been added throughout the margins of the text.
- Excerpts from the Constitution, accompanied by key questions, open each chapter to prime students and establish the Constitutional framework of the book.
- The Constitution has been annotated to provide a clear, easy-to-understand interpretation of the language in this seminal document.
- Chapter Conclusions have been revised to review how the Constitution relates to the topics discussed in that chapter.

Users Review

From reader reviews:

Joyce Lynch:

The reason why? Because this American Government (13th Edition) is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will zap you with the secret that inside. Reading this book alongside it was fantastic author who also write the book in such awesome way makes the content inside of easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of gains than the other book have such as help improving your talent and your critical thinking approach. So , still want to hold off having that book? If I ended up you I will go to the guide store hurriedly.

Timothy Bullock:

This American Government (13th Edition) is great e-book for you because the content that is certainly full of information for you who all always deal with world and also have to make decision every minute. This particular book reveal it details accurately using great coordinate word or we can claim no rambling

sentences within it. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but challenging core information with beautiful delivering sentences. Having American Government (13th Edition) in your hand like having the world in your arm, info in it is not ridiculous one. We can say that no e-book that offer you world in ten or fifteen tiny right but this book already do that. So , this can be good reading book. Hello Mr. and Mrs. busy do you still doubt that?

Mary Ransom:

In this time globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of sources to get information example: internet, magazine, book, and soon. You will observe that now, a lot of publisher that will print many kinds of book. Often the book that recommended for you is American Government (13th Edition) this e-book consist a lot of the information with the condition of this world now. This specific book was represented how do the world has grown up. The vocabulary styles that writer make usage of to explain it is easy to understand. The writer made some investigation when he makes this book. Here is why this book suited all of you.

Tara Reynolds:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this American Government (13th Edition) can make you experience more interested to read.
