Editorial Review

Review

"Numerous illustrations and a marriage law chronology enliven the text, and the bibliography is notable for its bounty of nineteenth-century source material. Phegley's lucid discussion of the Victorian marriage market does indeed illustrate the consistent rhetorical focus on the companionate ideal, despite the plethora of ways in which Victorians sought partnership." - **Victorian Periodicals Review**

About the Author

Jennifer Phegley is professor of English at the University of Missouri, Kansas City, MO.

Users Review

From reader reviews:

Rodney Alvarez:

Book is written, printed, or created for everything. You can understand everything you want by a e-book. Book has a different type. We all know that that book is important issue to bring us around the world. Beside that you can your reading skill was fluently.
