### Editorial Review

From School Library Journal

Gr 3 Up-Gidwitz is back with a second book that, if possible, outshines *A Tale Dark & Grimm* (Dutton, 2010). Once upon a time, in a faraway kingdom, cousins Jack and Jill have had a particularly tough day. Jack has a mean-boy problem: he's bullied and tortured by a clique whom he hero-worships. Jill has a mirror-obsessed, pettily cruel mother who lets her daughter walk naked, unaware, in front of the entire kingdom. But our woe-ridden hero and heroine are in for far worse: a skyscraping beanstalk, a fratlike group of giants, a deadly mermaid, and an oversize fire-breathing salamander show up before these brave, loving, and realistically flawed children get their happily ever after. This book, like the first, features a bold-font "storyteller" who introduces, explains, and comments on the story as it unfolds-usually with alacrity as he promises gore in the pages ahead, but with a fair dose of true insight into the characters and what makes them, like us, human. However, the chapters derive only loosely from fairy tales; they are mostly Gidwitz's inventions, which allows the character and story arcs to congeal into a satisfying whole. Most delightfully, that snarky, insightful narrator reminds us that stories were once verbal, communal experiences. This book begs to be read aloud, preferably to children who delight equally in hearing about pools of vomit and blood and about triumphant heroes.-Allison Bruce, The Children's Storefront, New York City
