Miracles from Heaven: A Little Girl and Her Amazing Story of Healing By Christy Wilson Beam

In time for the motion picture event from the production team that brought us *Heaven is for Real*, *Miracles from Heaven*--starring Jennifer Garner and Queen Latifah--is the inspiring true story of healing and family love.

Annabel Beam spent most of her childhood in and out of hospitals with a rare and incurable digestive disorder that prevented her from living a normal, healthy life. One sunny day when she was able to go outside and play with her sisters, she fell three stories headfirst into an old, hollowed-out tree. Implausibly, she survived without a scratch. While unconscious inside the tree, with rescue workers struggling to get to her, she visited heaven. After being released from the hospital, she defied science and had inexplicably recovered from her chronic ailment.

A remarkable family drama and uplifting, hope-filled memoir, *Miracles from Heaven* will change how we look at the world around us. Includes a photo insert and discussion guide.
