

Sex For Sale: Prostitution, Pornography, and the Sex Industry

From Routledge

Sex For Sale: Prostitution, Pornography, and the Sex Industry From Routledge

This groundbreaking collection of essays on the sex industry contains original studies on sex work, its risks and benefits, and its political implications. *Sex for Sale* covers areas not commonly researched, including gay and lesbian pornography, telephone sex workers, customers of prostitutes, male and female escorts who work independently, street prostitution, sex tourism, legal prostitution, and strip clubs that cater to women.

Sex for Sale also tracks various trends during the past decade, including the mainstreaming and growing acceptance of some types of sexual commerce and the growing criminalization of other types, such as sex trafficking. *Sex for Sale* offers a window into the lived experiences of sex workers as well as an analysis of the larger gender arrangements and political structures that shape the experiences of workers and their clients.

This book contributes greatly to a growing research literature that documents the rich variation, nuances, and complexities in the exchange of sexual services, performances, and products. This book will change the way we understand sex work.

Editorial Review

Users Review

From reader reviews:

Christopher Price:

What do you think of book? It is just for students since they're still students or that for all people in the world, the particular best subject for that? Just simply you can be answered for that query above. Every person has diverse personality and hobby for each other. Don't to be compelled someone or something that they don't desire do that. You must know how great in addition to important the book Sex For Sale: Prostitution, Pornography, and the Sex Industry. All type of book would you see on many sources. You can look for the internet methods or other social media.

Sheila Lefevre:

This Sex For Sale: Prostitution, Pornography, and the Sex Industry tend to be reliable for you who want to be a successful person, why. The reason of this Sex For Sale: Prostitution, Pornography, and the Sex Industry can be one of the great books you must have is definitely giving you more than just simple examining food but feed anyone with information that probably will shock your before knowledge. This book is usually handy, you can bring it everywhere and whenever your conditions throughout the e-book and printed ones. Beside that this Sex For Sale: Prostitution, Pornography, and the Sex Industry giving you an enormous of experience like rich vocabulary, giving you tryout of critical thinking that we all know it useful in your day action. So , let's have it and luxuriate in reading.

Eric Reynolds:

Reading a e-book tends to be new life style with this era globalization. With reading through you can get a lot of information that could give you benefit in your life. With book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or even their experience. Not only the storyplot that share in the guides. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some exploration before they write for their book. One of them is this Sex For Sale: Prostitution, Pornography, and the Sex Industry.

Marian Dyer:

Many people spending their time period by playing outside along with friends, fun activity together with family or just watching TV all day every day. You can have new activity to pay your whole day by reading a

book. Ugh, you think reading a book can definitely hard because you have to bring the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Smart phone. Like Sex For Sale: Prostitution, Pornography, and the Sex Industry which is keeping the e-book version. So , why not try out this book? Let's notice.
