The Gray and Guilty Sea: A Garrison Gage Mystery By Jack Nolte, Scott William Carter

"Carter's writing is on target." - **Publishers Weekly**

A curmudgeon. An iconoclast. A loner. That's how people describe Garrison Gage, and that's when they're being charitable.

After his wife's brutal murder in New York, and Gage himself is beaten nearly to death, the crippled private investigator retreats three thousand miles to the quaint coastal town of Barnacle Bluffs, Oregon. He spends the next five years in a convalescent stupor, content to bide his time filling out crossword puzzles and trying to forget that his wife's death is his fault. But all that changes when he discovers the body of a young woman washed up on the beach, and his conscience draws him back into his old occupation - forcing him to confront the demons of his own guilt before he can hope to solve the girl's murder.

Editorial Review

Review

"It was a shrewd marketing move ... to entitle his first mystery novel *The Gray and Guilty Sea*. It makes it nearly irresistible for an old John D. MacDonald fan like me . . . Recommended." - **Brandywine Books**

"*The Gray and Guilty Sea* is quite an enjoyable novel that engages a reader on multiple levels." - **Stimulated Outlet Book Reviews**

"Outstanding debut crime novel set on the Oregon coast and starring a misanthropic former detective ... as much a fascinating character study as it is an original story." - **Michael J. Totten**, author of *Resurrection*

"Scott William Carter makes it look easy." - **Chizine.com**
