## **The Labyrinth: Memoirs Of Walter Schellenberg, Hitler's Chief Of Counterintelligence** By Walter Schellenberg

This unique account of Hitler's corrupt regime illuminates more vividly than any other the deepening atmosphere of terror and unreality in which the Nazi leadership lived as the war progressed. Schellenberg recounts with firsthand knowledge the motivations and machinations surrounding the Nazi Army's every move in Poland, Austria, and Russia. But this remarkable inside account is perhaps most memorable for its riveting portraits of Reinhard Heydrich, Heinrich Himmler, Heinrich Mueller, Ernst Kaltenbrunner—men whom Schellenberg calls, with stunning lack of irony, "Hitler's willing executioners."
