**This Heart of Mine (Chicago Stars Series Book 5) By Susan Elizabeth Phillips**

*New York Times* bestselling author Susan Elizabeth Phillips' magic is vibrantly alive, and it's on display in *This Heart of Mine*, the fifth book in her wildly popular Chicago Stars series!

Molly Somerville loves her career as the creator of the Daphne the Bunny children's book series, but the rest of her life could use some improvement. She has a reputation for trouble that started even before she gave away her fifteen-million-dollar inheritance. Then there's her long-term crush on the quarterback for the Chicago Stars football team her sister owns—that awful, gorgeous Kevin Tucker, a man who can't even remember Molly's name!

One night Kevin barges into Molly's not-quite-perfect life and turns it upside down. Unfortunately, the Ferrari-driving riving, poodle-hating jock isn't as shallow as she wishes he were, and she soon finds herself at a place called Wind Lake. Surrounded by paintbox cottages, including a charming old bed-and-breakfast, Molly and Kevin battle their attraction and each other as they face one of life's most important lessons. Sometimes love hurts, sometimes it makes you mad as hell, and sometimes—if you're lucky—it can heal in a most unexpected way.

### **Amazon.com Review**

Ever since she was a teenager, children's book author Molly Somerville has been infatuated with handsome Kevin Tucker, quarterback for her sister's Chicago Stars football team. Unfortunately, Kevin doesn't know she's alive until one fateful weekend when they're marooned together at the family vacation cabin. When Molly gets carried away by her creative imagination and compromises Kevin, the results are disastrous and before the dust settles, Kevin's in trouble with his boss, Molly's in deep trouble with her emotions, and both of them are in danger of losing their hearts. Their journey to a happy ending is dicey, at best, and even if they can get past their outrageous and painful beginning, whether these two can lower their guards and let the other into their equally wary hearts is questionable.

Bestselling author Susan Elizabeth Phillips makes her hardcover debut with this wonderful contemporary tale that features two familiar faces from prior novels as the hero and heroine. The characters are complicated, with difficult pasts that have shaped the adults they now are, and Phillips uses a deft touch in sketching their personal growth as they're tested with tragedy and bound together with love and a healthy dose of humor. As always, Phillips brings her delightful wit and a warm family setting to this novel that is sure to captivate readers. --*Lois Faye Dyer*

### **From Publishers Weekly**

Veteran romance writer Phillips (First Lady; Lady Be Good, etc.) makes her hardcover debut with this consuming story of a star-crossed children's-book author and a football player. At 27, Molly Somerville is a struggling writer who eschews the inheritance left by her father, founder of the Chicago Stars NFL team, now owned by Molly's sister, Phoebe Calebow, and her husband, Dan, who act as Molly's surrogate parents. Creator of a series of Daphne the Bunny books, writer for a teen magazine and the perfect playmate for her nieces and nephew, Molly is still growing up--she even has a crush on Kevin Tucker, the handsome, reckless Stars quarterback. By coincidence, Molly and Kevin end up at the Calebow's vacation home... Don't be fooled by the dusty title, however; this one is pure up-to-the-minute entertainment. Agent, Steve Axelrod. (One-day laydown, Jan. 23) Forecast: Phillips is the only four-time recipient of Romance Writers of America's Favorite Book of the Year Award, and her most recent novel, the mass market First Lady, hit paperback bestseller lists. With a big and smart push from Morrow, including a nine-city author tour, this book stands to be that rarity: a bestseller on national hardcover lists by a first-time writer to those ranks. A Harper Audio and large-print edition will be issued simultaneously.
