### Call It Courage By Armstrong Sperry

A boy tries to overcome his fear of the sea in this treasured classic and winner of the Newbery Medal.

Maftu was afraid of the sea. It had taken his mother when he was a baby, and it seemed to him that the sea gods sought vengeance at having been cheated of Mafatu. So, though he was the son of the Great Chief of Hikueru, a race of Polynesians who worshipped courage, and he was named Stout Heart, he feared and avoided the sea, till everyone branded him a coward. When he could no longer bear their taunts and jibes, he determined to conquer that fear or be conquered-- so he went off in his canoe, alone except for his little dog and pet albatross. A storm gave him his first challenge. Then days on a desert island found him resourceful beyond his own expectation. This is the story of how his courage grew and how he finally returned home. This is a legend. It happened many years ago, but even today the people of Hikueru sing this story and tell it over their evening fires.

### Editorial Review

#### Review

New York Herald Tribune "A boy's character at ten years old is more often influenced by emotion than by reasoning. Something in the conduct of a hero leaps like a spark to light his own spirit. A book with a hero can sometimes bring this about. This is such a book.... It is related with unusual skill, carrying along a reader so rapidly he scarcely realizes how well it is being told... The story is wild enough to be remembered, and it cannot be remembered without doing good."

The New York Times "Whether this author is telling of clipper ships, of the days of the covered wagon, of the South Sea Islands, he writes always with imagination and integrity. Like all hero legends Mafatu's story has a strength and simplicity that appeals to a wide range in age and it is beautifully told. Mr. Sperry's fine drawings have the same spirit of adventure as the story and enhance the feeling of tropical seas and jungle given in the text. The story reads aloud well and will be useful to storytellers."

#### From the Inside Flap

Mafatu's name means "Stout Heart," but his people call him a coward. Ever since the sea took his mother's life and spared his own, he has lived with deep fear. And even though his father is the Great Chief of Hikueru--an island whose seafaring people worship courage--he is terrified, and consequently, he is severely scorned. By the time he is twelve years old, Mafatu can bear it no longer. He must conquer his fear alone. . . even if it means certain death. This classic tale of a young boy's hidden strength has been a favorite of readers of all ages since its 1940 publication--now this exclusive audio preserves its original poignancy and splendor, and brings Mafatu to life for future generations of listeners.
