Ghost Country (Travis Chase Series Book 2) By Patrick Lee

“In a word: Brilliant....It left me breathless and awed....Pure exhilaration from the first page to the last.”

—James Rollins, *New York Times* bestselling author of *Altar of Eden*

“WOW! Double Wow!...*Ghost Country* by Patrick Lee will make Asimov and Heinlein cheer with the angels. The techno-thriller meets Sci-Fi, and the result is mind-blowing.”

—Stephen Coonts, *New York Times* bestselling author of *Disciple*

Patrick Lee reinvented and revitalized the contemporary thriller with his extraordinary debut *The Breach* (“Audacious and terrifying” —Lee Child). Now his conflicted ex-cop/ex-con hero Travis Chase is back in the breathtaking follow-up *Ghost Country*. Both Michael Crichton and Dean Koontz fans, *X-Files* aficionados and devotees of FOX TV’s *Fringe*, will be blown away by Lee’s *Ghost Country*—a nightmarish tale of a nefarious plot unleashed at the highest levels of government that will bring about the end of everything in a matter of a few short months.

Editorial Review

From Publishers Weekly

At the start of Lee's dramatic sequel to *Breach*, gun men hit the motorcade in which Paige Campbell, who has just met with the U.S. president, is riding through Washington, D.C., and kill everyone but her. Before she's captured, Campbell uses her cellphone to get off a call for help to Bethany Stewart, her colleague in the shadowy outfit known as Tangent. Stewart, in turn, recruits Travis Chase, who was once briefly involved in a Tangent operation, and reveals to him the existence of an "entity" resembling a dark metal cylinder that opens a hole in time. Since the entity has shown a horrific future for humanity, Chase and Stewart, who suspects the president was behind the motorcade attack, must scramble to save their friend and forestall devastation in the years to come. Lee imaginatively blends a Baldacci-like political tale of betrayals and assassination with time travel in a thoughtful science-fictional thriller. (Jan.)

Review

"WOW! Double Wow! Starkly original, *Ghost Country* by Patrick Lee will make Asimov and Heinlein cheer with the angels. The techno-thriller meets Sci-Fi, and the result is mind-blowing. Makes Tom Clancy look like the slowest child in the class."

From the Back Cover

For decades, inexplicable technology has passed into our world through the top secret anomaly called the Breach.

The latest device can punch a hole into the future . . .

What Paige Campbell saw when she opened a door into seventy years from now scared the hell out of her. She and her Tangent colleagues brought their terrible discovery to the President—and were met with a hail of automatic gunfire after leaving the White House. Only Paige survived.

Fearing a terrifying personal destiny revealed to him from the other side of the Breach, Travis Chase abandoned Tangent . . . and Paige Campbell. Now he must rescue her—because Paige knows tomorrow's world is desolate and dead, a ghost country scattered with the bones of billions. And Doomsday will dawn in just four short months . . . unless they can find the answers buried in the ruins to come.

But once they cross the nightmare border into Ghost Country, they might never find their way back . . .

Users Review

From reader reviews:

Anthony Robin:

Your reading sixth sense will not betray an individual, why because this Ghost Country (Travis Chase Series Book 2) e-book written by well-known writer who really knows well how to make book which can be understand by anyone who else read the book. Written throughout good manner for you, leaking every ideas

and creating skill only for eliminate your current hunger then you still question Ghost Country (Travis Chase Series Book 2) as good book but not only by the cover but also from the content. This is one book that can break don't evaluate book by its cover, so do you still needing an additional sixth sense to pick this specific!? Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.

Ann Davis:

Are you kind of hectic person, only have 10 or even 15 minute in your moment to upgrading your mind talent or thinking skill possibly analytical thinking?
