Individual Differences (Hodder Arnold Publication) By Colin Cooper

Why, and precisely how, do we differ from one another? Does parenting affect children's abilities and personalities, or are they largely genetically determined? If personality and intelligence can be assessed, how exactly do psychometric tests work? And just how useful is the information they provide?

"Individual Differences" offers an integrated and objective presentation of this fascinating field. At once accessible, engaging and completely up-to-date, it covers the psychology of human personality, ability, mood and motivation. The author shows how psychological tests can be used to measure individual differences, and provides sufficient background in psychometric theory (including factor analysis and item-response theory) to enable the reader to understand how psychological tests are constructed, evaluated and used. Specifically designed for psychology students taking a course on personality or individual differences, the text contains self-assessment exercises (and answers) in each chapter.

Editorial Review

Review

The breadth of approach and accessibility of this new introductory texts makes it a strong candidate to capture the lecturers' recommended lists and the minds of their students
Journal of Personality and Individual Differences,

Well-written, extra material in this new edition is a useful addition

Dr E J Austin, University of Edinburgh

Cooper is to be congratulated on the objectives, contents and structure of his timely book and its associated webpages. It merits a place on the bookshelves of any academic or student to whom the topic of individual differences is professionally salient.

The Psychology of Education Review

About the Author

Colin Cooper, Lecturer in Psychology, Queen's University, Belfast.

Users Review

From reader reviews:

Clara Bearden:

As people who live in the actual modest era should be revise about what going on or info even knowledge to make all of them keep up with the era which can be always change and move forward. Some of you maybe will update themselves by studying books. It is a good choice for you but the problems coming to an individual is you don't know what one you should start with. This Individual Differences (Hodder Arnold Publication) is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and wish in this era.

Ronald Johnson:

Spent a free time and energy to be fun activity to try and do! A lot of people spent their sparetime with their family, or all their friends. Usually they undertaking activity like watching television, likely to beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Do you wish to something different to fill your own personal free time/ holiday? Might be reading a book could be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to attempt look for book, may be the guide untitled Individual Differences (Hodder Arnold Publication) can be fine book to read. May be it may be best activity to you.

Emily Meredith:

Your reading sixth sense will not betray a person, why because this Individual Differences (Hodder Arnold Publication) reserve written by well-known writer who knows well how to make book that could be understand by anyone who have read the book. Written within good manner for you, dripping every ideas and creating skill only for eliminate your current hunger then you still skepticism Individual Differences (Hodder Arnold Publication) as good book not merely by the cover but also by the content. This is one reserve that can break don't judge book by its deal with, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your examining sixth sense already told you so why you have to listening to a different sixth sense.

Cassandra Giron:

In this particular era which is the greater man or who has ability in doing something more are more special than other. Do you want to become one among it? It is just simple way to have that. What you have to do is just spending your time very little but quite enough to have a look at some books. On the list of books in the top record in your reading list is Individual Differences (Hodder Arnold Publication). This book which is qualified as The Hungry Hillsides can get you closer in getting precious person. By looking upward and review this reserve you can get many advantages.
