Mirrored (Kendra Chronicles) By Alex Flinn

In #1 *New York Times* bestselling author Alex Flinn's modern and mysterious retelling of *Snow White*, beauty is in the eye of the beholder and true love doesn't necessarily mean Prince Charming.

Celine's life is the stuff fairy tales are made of. She's beautiful, talented, and brave. Unfortunately, her tale comes complete with a wicked stepmother! When Violet steps into Celine's life, everything changes and weird things begin to happen to her—bizarre accidents, strange illnesses, and rabid animal attacks. Celine doesn't feel safe anywhere. It's almost as if some hateful witch is out to get her.

And there is. Violet has been waiting all her life to have Celine's father to herself. Getting rid of his gorgeous daughter is child's play for a witch as powerful as she is. Happy-ever-after isn't enough for Violet. She wants to be the fairest of them all, and Celine is in the way . . . but not for long.

Forced to take refuge with her friend Goose and his family, Celine gives up everything she loves and goes deep undercover. But will it be enough to fool Violet, or will Celine's fate be decided by a reflection in a magic mirror? And where do you find Prince Charming in Miami anyway?

Mirrored is a modern retelling of *Snow White*—told from the points of view of Violet, Celine, and Goose—with all the magic and mystery readers will love.

Editorial Review

From School Library Journal

Gr 8 Up—The author of *Beastly* (HarperCollins, 2007) offers another classic fairy tale reimagined in a contemporary setting. The first part takes place in the 1980s and tells the story of Violet, an ugly duckling who discovers that she's a witch and makes herself beautiful so she can have everything she's been denied—especially the attention of her childhood friend Greg. However, despite her newfound beauty, Greg chooses popular Jennifer instead. The second section jumps to present-day and is told by Celine, Jennifer and Greg's daughter. After Jennifer's death in a suspicious zoo accident, Violet reappears and sweeps Greg off his feet. The stepmother's attitude toward Celine chills as she grows into a beautiful adolescent and the teen takes comfort in a new friend, Goose, who is a small person. When Greg dies suddenly in a car accident, an older witch intervenes and hides Celine, telling Violet that the girl has been killed, but eventually the evil woman uncovers the lie and succeeds in poisoning Celine. The third part follows Goose on his desperate attempt to wake his friend from her magical coma. Convinced that only a prince can save her, he sneaks into the hotel room of Celine's favorite pop star, Jonah Prince, to convince him to kiss her. This retelling of "Snow White" is at times clever but also heavy-handed. Celine has recurring nightmares about apples that make her feel "unsafe" and Violet has a fascination with mirrors that gets overplayed. The sympathetic backstory for the evil witch is an interesting twist. Realistic dialogue and a lively writing style will help readers gloss over the author's missteps. **VERDICT** This title will be popular with younger teens who enjoy Flinn's previous books and are willing to overlook the overdrawn plot points.—Sunnie Lovelace, Wallingford Public Library, CT

Review

Thrilling and thought out to the last detail, *Mirrored* is a page-turner that assures enjoyment. 4 ½ stars.

From the Back Cover

Mirror, mirror in my hand . . .

Beauty is the key to everything. At least, that's how it seems to Violet—ugly, bullied, and lonely. To be beautiful, in her eyes, is to have power and love. And when Kendra, the witch, teaches Violet how to use magic, she may finally get what she wants.

For Celine, beautiful since birth, her looks have been a hindrance. She discovers that beauty is also a threat—especially to her stepmother, Violet, who doesn't want anyone sharing the attention she worked so hard to get and who will do anything to be the fairest of them all.

But beauty isn't only skin deep and love isn't based on looks alone. And though Violet and Celine may seem to be completely opposite, their lives are almost . . . mirrored
