The Greek Myths (Volume 2) By Robert Graves

Robert Graves, classicist, poet, and unorthodox critic, retells the Greek legends of gods and heroes for a modern audience

And, in the two volumes of *The Greek Myths*, he demonstrates with a dazzling display of relevant knowledge that Greek Mythology is “no more mysterious in content than are modern election cartoons.” His work covers, in nearly two hundred sections, the creation myths; the legends of the births and lives of the great Olympians; the Theseus, Oedipus, and Heracles cycles; the Argonaut voyage; the tale of Troy, and much more.

All the scattered elements of each myth have been assembled into a harmonious narrative, and many variants are recorded which may help to determine its ritual or historical meaning. Full references to the classical sources, and copious indexes, make the book as valuable to the scholar as to the general reader; and a full commentary on each myth explains and interprets the classical version in the light of today’s archaeological and anthropological knowledge.

Editorial Review

Users Review

From reader reviews:

Michael Carr:

As people who live in typically the modest era should be upgrade about what going on or data even knowledge to make these individuals keep up with the era which is always change and make progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice in your case but the problems coming to a person is you don't know which one you should start with. This The Greek Myths (Volume 2) is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and wish in this era.

Kristopher Lewis:

Are you kind of active person, only have 10 or even 15 minute in your day to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are experiencing problem with the book compared to can satisfy your limited time to read it because all this time you only find book that need more time to be go through. The Greek Myths (Volume 2) can be your answer given it can be read by anyone who have those short extra time problems.

Christine Knox:

Many people spending their time by playing outside using friends, fun activity together with family or just watching TV all day long. You can have new activity to invest your whole day by examining a book. Ugh, do you consider reading a book really can hard because you have to accept the book everywhere? It okay you can have the e-book, getting everywhere you want in your Mobile phone. Like The Greek Myths (Volume 2) which is having the e-book version. So , why not try out this book? Let's find.

Josephine Draughn:

Some individuals said that they feel weary when they reading a e-book. They are directly felt this when they get a half parts of the book. You can choose the book The Greek Myths (Volume 2) to make your current reading is interesting. Your own personal skill of reading skill is developing when you just like reading. Try to choose easy book to make you enjoy to learn it and mingle the sensation about book and reading through especially. It is to be initial opinion for you to like to available a book and learn it. Beside that the guide The Greek Myths (Volume 2) can to be your brand-new friend when you're experience alone and confuse in doing what must you're doing of that time.
